

# Make your future!

## IBM Hackathon

### What is it!

**Make your future - IBM Hackathon!** is a competition where we help great ideas from great minds come to life.

We know that you care about the future and we know you have the potential to change it for the better. We're just offering you the opportunity to shine.

### IBM Hackathon conditions:

- The themes will be presented at the start of the event.
- You can participate individually or in a team of two members.
- You will work on your personal computers/ laptops.

### What do you have to do?

1. Apply with your CV on the site [hipo.ro](http://hipo.ro) (IBM Hackathon - until 30th of November, 11 PM).
2. IBM will announce on the 2nd of December the persons/ teams chosen for the **BIG FINAL**.
3. If selected, you/ your team will participate in a 24-hour long Hackathon running on **December 5th and 6th**.

### Why apply?

- See your idea turned into reality
- Prizes summing up to 3000 Euros for the winning teams
- Opportunity to get to know better IBM through dedicated events
- Facilitated access to IBM funds in order to continue developing your idea
- Interaction with the some of the best IT professionals in the region
- You will have priority to the IBM Internship Program based on your interests
