-The paper „Some observations about Rosacea by dermoscopy and Bacillus species findings”, author TatuAlinLaurențiu, was accepted for oral presentation at the event – The fifth edition of the Health Meeting Interdisciplinary Conference on Skin Infections, from research to the impact on public health, 27th November 2015, Ramada Plaza Hotel, and it is published as a summary with the Acknowledgement included in ROJCED
27. **Tatu AL.** Clinical and dermoscopic considerations related to rosacea patients *Dermato - Venerologie .2016;61;suppl:46. ISSN print1220/3734,ISSN online 2502-0145,abstract*

Oral presentation at National Dermatology Congress, Romanian Society of Dermatology, Sinaia 2016

**28. Tatu AL.** Topical steroids prolonged use on facial skin and cutaneous related changes. *Dermato - Venerologie* .2016;61;suppl:47. ISSN print 1220/3734, ISSN online 2502-0145  
Oral presentation at National Dermatology Congress, Romanian Society of Dermatology, Sinaia 2016

## VIII. ACHIEVEMENTS

### A. Awards and honors:

**1. Tatu AL. Steroid Induced Facial Dermatitis - A dermoscopic point of view”** oral presentation

**Tatu AL.** It was presented at the 23rd World Congress of Dermatology, 8th-13th June 2015, Vancouver, Canada, within the FC03 session - Dermoscopy and Skin Imaging, Vancouver Convention Centre East, 8&15, time 8.15.

**Organising committee award**

- **2. Tatu AL. Steroid Induced Facial Dermatitis - A dermoscopic point of view” Tatu AL Oral presentation.** It was presented at the 23rd World Congress of Dermatology, 8th-13th June 2015, Vancouver, Canada, within the FC03 session - Dermoscopy and Skin Imaging, Vancouver Convention Centre East, 8&15, time 8.15.

**International Leagues of Dermatology Societies ILDS award**

**3. Two awards :A)for overcoming indicators of scientific presentations,**

**B)excellency award**

For scientific articles, papers awarded under POSDRU/159/1.5/S/137390 project-november-december 2015;

### C. Invited papers in plenary international/national meetings

**1. Tatu AL** Trichoscopy of Childrens Alopecia Areata-3rd International Conference and Exhibition on Cosmetology & Trichology held on November 12-14, 2014 at Chicago-North shore, USA

**2. Tatu AL** , Clătici VC Some correlations between Clinic and Dermoscopic features of Steroid Induced Facial Dermatitis”. Authors: **Tatu AL** , Clătici VC. 73 Annual Meeting of the American Academy of Dermatology, San Francisco, California, 20-24 Martie 2015. The paper was invited to be orally presented and the abstract published in *Journal of the American Academy of Dermatology - JAAD*, ISI Impact Factor 5.004, may 2015, vol 72, no 5, Supplement, page AB 91

**3. Tatu AL** „Clinical-dermoscopic considerations in Rosacea” - oral presentation within the National Congress of Dermatology, under the aegis of the Romanian Society of Dermatology, Bucharest, 21st - 24.10.2015

**4 Tatu AL** „Steroid Induced Facial Dermatitis - A dermoscopic point of view” invited for oral presentation. It was presented at the 23rd World Congress of Dermatology, 8th-13th June 2015, Vancouver, Canada, within the FC03 session - Dermoscopy and Skin Imaging, Vancouver Convention Centre East, 8&15, time 8.15

**5 Tatu AL** „Clinical, dermoscopic, therapeutic aspects and practical implications in topic dermacorticoids induced facial dermatitis” - Author TatuAlinLaurențiu, The National Conference Family Medicine – the first line in medical assistance - Brăila 15th -17th Oct. 2015;

**6. Tatu AL** „Epidemiology, clinical, dermoscopic aspects and comorbidities in Rosacea and Psoriasis” accepted for oral presentation within the Conference Medic.ro – Comorbidities in the medical practice, 10th-11th November 2015, Danubius University of Galați

**7. Tatu AL** Some observations about Rosacea by dermoscopy and Bacillus species findings”, was invited for oral presentation at the event – The fifth edition of the Health Meeting Interdisciplinary Conference on Skin Infections, from research to the impact on public health, 27th November 2015, Ramada Plaza Hotel, and it is published as a summary with the Acknowledgement included in ROJCED

**8. Tatu AL** .Clinico dermoscopic correlations observed in a rosacea group of patients. „Poster accepted American Academy of Dermatology 74th Annual Meeting March 4-8, 2016, Washington, DC. I was invited to give the oral presentation of the paper. The paper was published as abstract in Journal of American Academy of Dermatology Journal, JAAD, May 2016 / Volume 74 / Number 5, AB104, 2713

**9. Tatu AL**. Multiple autoimmune syndrome. Invited paper for 9<sup>th</sup> Annual Congress On Endocrine Disorders And Therapies ” during September 11-12, 2017 at Dallas, Texas, USA.
