

CERTIFICATE

Odeillo, November 06th, 2019

To whom it may concern,

I hereby certify that Alexandru PASCU from the Transilvania University of Brasov, Romania, was welcomed as the NANOSOL project leader at PROMES-CNRS laboratory located in Font-Romeu Odeillo (FRANCE) from September 19th to 30th, 2016 in the framework of the Access SFERA-II European project (Grant Agreement N° 312643) funded under the Seventh Framework Programme of the European Community for research and technological development including demonstration activities (FP7).

The research work of A. PASCU jointly with the project team member E. M. STANCIU from the Transilvania University of Brasov, Romania, was performed in the framework of the NANOSOL project (full title: SYNTHESIS OF CARBON NANOTUBES USING SOLAR RADIATION AND Al₂O₃-Mn/Cu₂O CATALYST, P1602060210). The estimated costs for this user-project are 8737.82 €, including:

- Travel and accommodation costs of both project users: 3049.30 €;
- Two weeks of the Transnational access to CNRS-PROMES “Medium Size Solar Furnaces” (unit estimated costs per facility): 5688.52 €.

Yours sincerely,

Anastasiya Badziaka

European Project Manager
CNRS-PROMES Laboratory
