Journal: Forest Ecology and Management

Dear Petritan,

Thank you for your review for the above-referenced manuscript. I greatly appreciate the commitment of your time and expertise. Without the dedication of reviewers like you, it would be impossible to manage an efficient peer review process and maintain the high standards necessary for a successful journal.

When a final decision has been reached regarding this manuscript you will be able to view this decision, as well as reviews submitted by any other reviewers,

at: http://www.evise.com/evise/faces/pages/navigation/NavController.jspx?JRNL_AC R=FORECO. You can also access your review comments here, at any time.

I hope that you will consider Forest Ecology and Management as a potential journal for your own publications in the future.

Kind regards,

Dan Binkley

Editor-in-Chief

Forest Ecology and Management

Dear Ion Catalin Petritan,

Thank you for your review of the manuscript entitled "" for Mountain Research and Development (MRD).

We greatly appreciate your service as a referee for MRD. The success of the journal depends on the willingness of specialists in various fields to review manuscripts on a regular basis. We do not want this fact to go unacknowledged. Please accept our heartfelt appreciation.

You can access your review comments and the decision letter (when available) by logging into:
<https://mrd-journal.editorialmanager.com/>.

We hope that our contacts with you will continue.

With kind regards,

Anne B. Zimmermann, Associate Editor

P.S. If you wish to be informed each time a new issue of MRD is published, you can register and subscribe to an issue alert at BioOne:

<http://www.bioone.org/action/registration>

After registering, do the following:

1. Click on the "My BioOne" link at the top right; this will take you to a page with several tabs at the top left, saying "Journals", "Articles", "Alerts", "Access" and "Account Info".
2. Click on the "Alerts" tab.
3. Scroll down the long alphabetical list of journals and check the box next to "Mountain Research and Development".
4. Scroll further down to the very end of the page, fill in the final questions regarding Special Alerts and E-mail Format and then click the "Submit" button at the bottom right.

For more information about
MOUNTAIN RESEARCH AND DEVELOPMENT:
<http://www.mrd-journal.org>

In compliance with data protection regulations, please contact the publication office if you would like to have your personal information removed from the database.
